Re.: Additional Information for Investigation

Radio Assist Ministry ("RAM") and Edgewater Broadcasting ("EB") are not true non-profits under IRS law as they were only created as conduits for purposes of for-profit trafficking in radio licenses and construction permits. World Radio Link ("WRL") was created to market those licenses and construction permits.

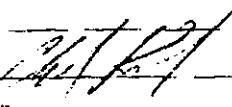

Everyone (including all employees of the 3 corporations: RAM, EB, and WRL) familiar with their (RAM, EB, and WRL) operations knows that this business was the creation of and is controlled by Steve Atkin, husband of Diana Atkin. Everyone also knows that Steve Atkin cannot be named as an officer or director of a FCC regulated licensee, because Steve Atkin is a convicted felon. Steve Atkin controls the corporations through his wife, Diana, who has no prior experience in radio.

With a proper FCC investigation, the above facts can be verified.
